A MESSAGE FROM THE ORIGINAL MELS TEAM

The Original Mels Diners has served Northern California and Northern Reno for more than 70 years. We have taken great pride in serving All-American Family favorites to generations of Mel's customers. We expect the new few weeks or longer to be challenging for all of us. We want to let you know that your health and safety, and that of our employees, and their families remain our number #1 priority.

Whether you choose to take-out, or have your favorite Mels food delivered to you, The Original Mels Diner is committed to providing a safe environment to you while strictly adhering to the recommended policies and procedures of the CDC and local health officials.

Some of the Additional Steps we have taken to ensure your health and safety:

- Implemented the use of recommended sanitizer spray and disposable single use towels sanitizing all contact surfaces.
- Required gloves for all employees touching soiled dishes, discarded food, and trash to avoid any cross contamination.
